

----- BIFD Tape List (1/4/04) -----

Tapes are either 10 minute cassettes (5 minutes per side) with the numbering 0xxx in black or are 15 minute cassettes (7.5 minutes per side) with the numbering Lxxx in red color.

The dance name list contains cross-references to other names or spellings for the dance. All tapes must be rewound before playing. When the tape is fully rewound expect 9-12 seconds before the music starts.

**NOTE:** When looking for a specific dance, note that *all* punctuation is ignored in the alphabetization. Therefore, treat all spaces, apostrophes, hyphens, etc. as if they didn't exist when looking for a name.
