

Student Honors Recital

Institute participants have the opportunity to perform in two Student Honors Recitals, at the noon concerts. If you would like to be considered as a soloist for the student recital, you are invited to audition by submitting a videotape or DVD of a well-polished and memorized piece with accompaniment (if applicable). It is an honor to be selected and candidates must demonstrate good posture and high quality technique and musicianship. Consideration will also be given to a variety of ages, levels and instruments. Application and recordings (DVDs or VHS) must be postmarked on or before May 15, 2011. Students will be notified by the end of May if selected, and practice time with the accompanist will be arranged. Dress clothes are required for Honors Recital performances.

Complete the Honors Solo Recital Application below and mail with labeled video tape or DVD to PPSI, 6331 Glenmoor Rd., Boulder, CO 80303
