# H.O.O.F. Horse Owner's Operation Find

In conjunction with the Boulder County Horse Association, the Boulder County Sheriff's Office maintains a directory of horses, owners, and their locations. Please take the time to complete this form. Horses at large are difficult to trace and time is of the essence when an injury or loss occurs. H.O.O.F. increases the possibility of contacting you, the owner, during such an emergency.

This information will be kept confidential, to be used only by BCHA and the Boulder County Sheriff's Office. Please return this form to BCHA, P.O. Box 19601, Boulder CO 80308-2601. If you have any questions, please call Terri Snyder at the Boulder County Sheriff's Office, 303-441-3650.
