'In District' wildfire defensible space mitigation

Schedule now to take advantage of a \$500 D-space mitigation to protect your house and property.

Services provided:

- * Tree limbing, thinning and chipping of branches within 30-50' around the house
- * Trimming of grasses
- * Shrub, needle and leaf removal
- * Relocation of other identified, flammable materials that threaten your home (wood piles, fences surrounding propane tanks or other hazardous materials)
- * Each home owner will also receive a written D-space consultation, providing suggestions on continued property maintenance or recommended changes and/or improvements.

IMPORTANT:

The \$500 per D-Space offer is only for homes located within the **Four Mile Fire Protection District** and for a limited time.
